- 2009 *Archaeological Data Recovery at 38BK1627, Daniel Island, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Eric C. Poplin, Alys Spillman, Nicole Isenbarger).
- 2008 *Historical Overview and Strategic Plan for East Edisto, Charleston and Dorchester Counties, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant (with Ralph Bailey, Jr., and Edward Salo and Andrew Agha).
- 2008 *Cultural Resources Survey and Testing of the Port Royal Harbour Redevelopment Tract, Beaufort County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Emily A. Jateff and Paige Wagoner).
- 2007 *Cultural Resources Survey of DuPont’s Epsilon Tract, Berkeley County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Ralph Bailey, Jr. and Edward Salo).
- 2007 *Culture Resources Survey of the Palmetto Commerce Parkway Extension Project, Charleston County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant (with Edward Salo, Jason Ellerbee, and Joshua N. Fletcher).
- 2007 *Cultural Resources Survey and Testing at The Ponds, Dorchester County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Eric D. Sipes, Edward A. Salo, and Laura Tedesco).
- 2006 *Cultural Resources Survey and Archaeological Testing of Selected Sites at Watson Hill Tract, Dorchester County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with David Baluha and Ralph Bailey, Jr.).

- 2006 *Cultural Resources Survey of the Shade Tree Tract, Charleston County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Eric D. Sipes, Jason Ellerbee and Ralph Bailey, Jr.).
- 2006 *Cultural Resources Survey and Testing of the Weber Research Tract Charleston County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Brent Lansdell and Ralph Bailey, Jr.).
- 2006 *Cultural Resources Survey of the Anderson Tract, Jasper County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Catherine Runyan).
- 2005 *Cultural Resources Assessment and Brief Background History of the 797.83 Acre Gippy Plantation Tract near the Town of Moncks Corner in Berkeley County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC.
- 2005 *Archaeological Testing of 38CH2017 Beazer Bolton Tract Charleston County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with David S. Baluha and Ralph Bailey, Jr.).
- 2005 *Cultural Resources Survey and Evaluative Testing of the Battery Gaillard Tract, Charleston County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, South Carolina (with Kristrina A. Shuler and Ralph Bailey, Jr.).
- 2004 *Cultural Resources Overview of the Proposed Cooper River Sewer Tunnel, City of Charleston, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, South Carolina (with Eric C. Poplin).
- 2003 *Cultural Resources Survey of the Fort Johnson Road Tract, Charleston County, South Carolina.* Prepared for EYC Companies by Brockington and Associates, Charleston, SC.
- 1999 *Archaeological Survey of the Whitehall II Tract, Dorchester County, South Carolina.* A report prepared by Brockington and Associates, Charleston, SC (historic research contribution only).
- 1999 *Cultural Resources Inventory of the Appian Way Tract, Dorchester County, South Carolina.* A report prepared by Brockington and Associates, Charleston (historic research contribution only).

PROJECTS STAND-ALONE NARRATIVES (AUTHOR)

- 2023 *A History of the Hance Family Farm in Lancaster County, South Carolina.* The project involved research, interviews, preparation and writing, graphics selection, editing a story of a family century farm in rural South Carolina. Draft status at present, being prepared for submittal to the client.
- 2017 *A Contextual History of the Quarantine Period at Fort Johnson, Charleston County, South Carolina.* A report prepared for the Medical University of South Carolina by Brockington and Associates (with Rachael Bragg).
- 2014 *Sandy Hill Plantation, MeadWestvaco Corporation, Colleton County, South Carolina.* An extensive history of General William Washington's rice plantations in Charleston County, SC. A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Christina O. Butler).
- 2014 *One of the most lovely spots I ever feasted my eyes on. Northwest St. Johns County Historical Study and Architectural Survey.* A history of Northwest St. Johns, County, Florida. A report prepared by Brockington and Associates, Jacksonville, Florida for St. Johns County (with Jeffrey Gardner, Charles F. Philips, Jr. and Sheldon Owens).

- 2013 *A History of the South Gruber Tract, MeadWestvaco Corporation, Colleton County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC.
- 2010 *Santee Indian Tribe History.* A Report prepared by Brockington and Associates, Mt. Pleasant. Report was to help tribe prepare for Federal Recognition (with Eric C. Poplin).
- 2010 *Walworth Tract History.* Detailed land and use history of a 4,000-acre tract in St. Johns Berkeley Parish, Orangeburg County, SC. A report prepared by Brockington and Associates, Mt. Pleasant.
- 2008 *The History of the Bluff Tract.* Detailed history and land study of a tract of 8,000 acres in lower Colleton County. A report published by Brockington and Associates, Mt. Pleasant.
- 2006 *A Brief History of Longfield Plantation Hampton County, South Carolina.* A report prepared by Brockington and Associates, Mt. Pleasant, SC (with Jason Ellerbee).

SPECIAL HISTORIC CHAIN OF TITLE WORK (KING'S GRANTS AND OTHER SPECIALTY TITLE WORK.

- 2024 *Historic Chain of Title for Little Edisto/Jebossee Tract on Little Edisto Island for King's Grant Claim.* The scope of work included a full chain of title for Little Edisto Island to original grants for marsh lands around the island. Work also included testimony in the Master's Court of Charleston County (Judge Michael Scarborough) and South Carolina Attorney General's office. The client was successful in making claim to marshlands.
- 2024 *Allendale-Dorchester County Line.* This project involved establishing the historic Old District Line established in 1768 for five current counties still using the line. It involved extensive work along a nearly 60-mile stretch of open lands from the Savannah River to the Santee River in the Lowcountry region of South Carolina. It involved extensive research into the land grants and historic plats along the line. A formal report was submitted to Cornerstone Engineering and Surveying for their final survey of the line to the South Carolina Geodetic Survey.
- 2023 *The Historic Chain of Title to a Tract of Land on Salters and Porter's creeks near Riceboro, Georgia to a Georgia State Grant in Liberty County, Georgia.* The scope of work involved establishing legal title from the state to current owners. Work was put on hold in 2023 for further clarification of ownership.
- 2022 *Charleston-Dorchester County Line.* Work involved research in public records to establish historic background for a resurvey of the county lines between the two counties. Work was coordinated through the South Carolina Geodetic Survey, Columbia and Cornerstone Engineering and Surveying Co. of Summerville,
- 2022 *Barnwell-Allendale County lines.* Work involved research in public records to establish historic background for a resurvey of the county line between the two counties. Work was coordinated through the South Carolina Geodetic Survey, Columbia and Cornerstone Engineering and Surveying Co. of Summerville,
- 2022 *Summary of Legal Ownership Chain of Title from the State of Florida to the Ownership of Philips Enterprise, LLC, a Florida Limited Liability Company.* The chain of title was an effort to connect several tracts of marshland owned by Philips Enterprises to a Spanish Land Grant in the 18th century. Work was prepared and submitted to the owners, Jane P. Collins, and Catherine P. Fulford. The work was traceable to a Florida

State Grant but not to a Spanish land grant and thus did not qualify for State of Florida recognition of legal ownership by the LLC.
